1981 AMERICAN ARTS GOLD MEDALLION PROGRAM

This booklet contains order forms and information about the 1981 American Arts Gold Medallion sales by the U.S. Treasury Department. Please read carefully the terms and conditions of sale, the description of the two medallions being offered in 1981, the general program information, and the specific instructions on how to order.

The one ounce medallion orders are processed separately from the half-ounce medallion orders. If you are ordering both one ounce and half-ounce medallions, two order forms must be completed, separate payments obtained, and the orders mailed in separate envelopes. A portion of the order form should be completed and retained for your records.

For specific information on the order period, medallion prices, and order instructions, call the toll-free telephone number for your area:*

800-368-5510 in continental United States

800-368-5500 in Alaska, Hawaii, Virgin Islands and Puerto Rico

783-3800 in Washington, D.C.
Metropolitan Area

*It may be necessary to dial "1" before the toll-free telephone number in your area.

Public Law

The American Arts Gold Medallion Act (Public Law 95-630) provides: "The Secretary of the Treasury shall, during each of the first five calendar years [beginning in 1980], strike and sell to the general public . . . gold medallions . . . containing, in the aggregate, not less than one million troy ounces of fine gold, and commemorating outstanding individuals in the American arts. . . . Medallions . . . shall be minted in two sizes containing, respectively, one troy ounce and one-half troy ounce of fine gold."

Proceeds of Sales

The gold contained in the medallions will be from United States Government holdings. Proceeds from the sale, equivalent to \$42.22 an ounce, will be used to retire Gold Certificates held by Federal Reserve Banks. The remaining proceeds will be deposited in the General Fund of the Department of the Treasury.

Artists

The artists to be commemorated on the medallions were named in the legislation:

Condition: The medallions are struck in a condition similar to that of new coins issued by the Mint for general circulation. Therefore, although the medallions are produced and packaged very carefully, there may be some normal indications of handling. If, however, you believe your medallion is defective, please write for instructions to: Consumer Affairs Staff, Bureau of the Mint, 501 13th Street, N.W., Washington, D.C. 20220.

Packaging: Medallions will be packaged individually in presentation cases suitable for gift giving. Each presentation case will contain a short biography of the featured artist.

Mint: The gold medallions are produced and packaged by the United States Bureau of the Mint at its bullion depository in West Point, New York.

*Public Law 95-630 requires that the medallions be 90% gold and 10% alloy. The 10% of alloy is copper, which has been added as a hardening agent, and silver, which has been added to enhance the appearance. Gold is a very soft material and a medallion of 24 karat gold would be susceptible to damage and wear.

Order Period and Daily Prices

The order period for the 1981 medallions is announced on the toll-free telephone numbers along with the daily prices. Medallion prices change daily since they will be based on the New York Commodity Exchange (COMEX) Settlement Price of spot gold for the previous COMEX business day. Prices will be in effect from 12:01 AM EST to 11:59 PM EST for the announced date(s). The quoted unit price for each medallion includes a premium representing all manufacturing, packaging and distribution costs.

Order Acknowledgement

An acknowledgement card containing your order number will be mailed to you within three weeks after your medallion order is received at the U.S. Mint in San Francisco. Please keep the card with the receipt portion of your order form until your medallions arrive.

Orders Sent by Registered Mail

Because medallions will be sent by registered mail, the Mint can only process orders with U.S., APO and FPO addresses. Customers must reside in areas which have access to the toll-free telephone numbers in order to obtain daily prices. If you live in a foreign country, we suggest that you ask a relative or friend to submit your order for delivery to your APO or FPO address or to a U.S. address.

Delivery

You can expect delivery of your 1981 medallions within six weeks after your order has been received by the U.S. Mint in San Francisco.

Orders Not Received

If you do not receive your gold medallions within the time specified, please call the San Francisco Old Mint at 415-556-2624 or write to: Bureau of the Mint, 55 Mint Street, San Francisco, CA 94175. Please provide your order number, amount and type of payment, order date and number of medallions ordered when you write or call.

Terms of Sale

1. Medallions will be sold at a price based on the daily market value of their gold content plus the costs of manufacture and distribution.
2. Orders must be submitted on official order forms and may not be modified or withdrawn by the customer.
3. Receipt of an order and payment does not constitute acceptance. Orders with insufficient payment will be returned. Any overpayment portion of a remittance will be refunded. The Department of the Treasury reserves the right to limit orders.
4. Orders will be processed in the order in which they are received. Payments will be returned if orders cannot be filled.
5. The unit price used in ordering must be for the same date as the Post Office datestamp placed on your order form and envelope.
6. Guaranteed, irrevocable payment must be submitted. Only U.S. Postal Money Orders, Certified Checks or Cashier's Checks will be accepted.
7. Guaranteed payments must specify **Bureau of the Mint** on the face of the payment as *sole* payee. Checks made payable to the Bureau of the Mint and another payee are *not* acceptable even if endorsed by the other payee. The Mint assumes no liability for loss of payments when no payee is specified.
8. Please allow six weeks for delivery from the time the order is received by the Bureau of the Mint in San Francisco. Late delivery inquiries can be made by calling 415-556-2624.
9. If the Post Office is unable to deliver your order, it will be returned to the San Francisco Old Mint, San Francisco, CA 94175. Customers should notify the Mint in writing within 12 months of the date of their order if they wish to request reshipment of medallions or to report a change of address.

10. If the Bureau of the Mint determines that the gold medallions were lost in the mail, the Mint will reship a medallion or refund the amount of the payment, at its option.
11. The Government's liability, in any case where liability of the Government has been established, shall not exceed refund of the payment. Claims against the Government must be submitted in writing within 12 months of the order date.
12. The U.S. Mint as issuing authority authenticates these medallions. No certificates of authenticity will be provided. The law provides for the same protection against counterfeiting of these medallions as applies to U.S. coinage.
13. The Treasury Department will not repurchase your medallions. For resale you may wish to contact a coin dealer in your area.
14. The Treasury Department reserves the right to offer these medallions under other terms and conditions.
15. Privacy Act Notice: Furnishing the information on the order form is voluntary. Failure to provide the information may result in not receiving your order or future periodic notices of medallion purchase opportunities which may be sent. 5 U.S.C. 301, 31 U.S.C. 324h and 369 and Pub. L. 95-630, authorize collection of this information for official use in processing and shipping of orders. The principal use of the information is to process orders and to send notices of future offerings of the American Arts Gold Medallions. See routine use notice published in the *Federal Register*, vol. 45, no. 57, p. 18802, March 21, 1980.

1. FOR TODAY'S PRICES TO APPLY, ALL STEPS BELOW MUST BE COMPLETED TODAY.
2. Choose the correct order form from this booklet. The aqua colored order form and envelope are for the one ounce medallions. The brown order form and envelope are for the half-ounce medallions. Separate forms, envelopes, and payments must be used for each size medallion.
3. PLEASE PRINT name and address in blocks provided, using a single letter or number per block. Please use street addresses rather than box numbers, if possible.
4. Obtain quantity limitations and daily unit prices of the medallions by calling the toll-free telephone number for your area.* Any program changes will be indicated on this telephone message.

*It may be necessary to dial "1" before the toll-free number in your area.

5. To compute the payment, multiply the number of medallions you are ordering by the appropriate unit price quoted on the telephone message.
6. Print the number of medallions you are ordering and the amount of your payment in the spaces provided.
7. Obtain U.S. Postal Money Order, Certified Check, or Cashier's Check and indicate which type of payment you are enclosing. Specify BUREAU OF THE MINT as sole payee. **DO NOT SEND CASH OR PERSONAL CHECKS.**
8. Sign your order form in the space provided.
9. Print the number of medallions you are ordering on the front of the envelope in the square provided.
10. Tear off order forms and envelopes and take them with your payment to a Post Office for validation. Have a Post Office clerk *datestamp, sign, seal, and mail* your completed order today. The clerk must datestamp *both the order form and the order envelope* with today's date and must also sign the order form.

NOTE: If ordering both one ounce and half-ounce medallions, two order forms must be completed, separate payments obtained, and orders mailed in separate envelopes.

UNCIRCULATED
COIN
SET

THE 1981 UNCIRCULATED COIN SET

Each set contains thirteen coins: a dollar, half dollar, quarter, dime, nickel and cent from both the Philadelphia Mint and the Denver Mint and a dollar from the San Francisco Assay Office. The coins will be sealed in two packets and inserted in a presentation envelope. The Denver packet contains six coins with the "D" mint mark and the "S" mint marked dollar coin struck in San Francisco. In the Philadelphia packet, the coins, with the exception of the cent piece, have a "P" mint mark.

There is a limit of one order of one to five sets per customer. There is also a limit of 5 orders per address. However, in the event that orders exceed production capacity, these limitations may be reduced to ensure a more equitable distribution of coin sets to as many customers as possible. The price which includes postage, registry fee and handling is \$11.00 per set. The sets will be produced and mailed by December 31, 1981. The vast majority of orders are

received within the first month of the ordering period. If your order is not among the first to be mailed by the Mint, you will receive an acknowledgement card indicating your order number and the expected delivery date. Your order number also appears on your canceled remittance.

PLEASE NOTE:

*Orders will be accepted beginning September 1, 1981. Acceptance of orders is contingent upon our production capability and the demand. Although we anticipate accepting orders through October 30, 1981, **an earlier cut-off date will be essential if orders for the sets exceed our production capability.** If this occurs, it will be necessary to return all orders received at the San Francisco Old Mint after the cut-off date.*

If your remittance is deposited and we cannot honor your order, a refund will be made. We therefore recommend that you send your order as soon as possible. Orders are not cancelable by the purchaser.

Ordering instructions . . .

1. Please sign your order card and indicate the number of sets you wish to order. If ordering less than five sets, detach the appropriate portions of the magnetic strip insert as indicated.
2. Copy your Customer Number as it appears on your order card in the upper right hand-corner of your check or money order. Your remittance in the amount of purchase should be made payable to "Bureau of the Mint" as sole payee. Payment for orders from other countries should be by International Money Order or a check drawn on a U.S. bank and payable in U.S. currency.
3. To change your address, please punch out circle and print new address on the order card. Detach the top portion of the magnetic strip insert.
4. Please return order card, magnetic strip, and payment in the envelope provided. The pre-punched order card is for the exclusive use of the addressee.

If you write to us about your order, please . . .

- Refer to your Customer Number in your letter.
- Enclose a copy of both sides of the canceled check or money order, as it is stamped with the Order Number during processing.
- PLEASE DO NOT send the original—it is your receipt for the order.
- If your set is damaged in shipment, write to the address below for a postage-paid label to use in returning it for replacement. Replacement of damaged sets requires 6-8 weeks.

1981
PROOF COIN SET

THE 1981 PROOF COIN SETS . . .

. . . contain the traditional six coins: a cent, nickel, dime, quarter, half dollar and dollar. Proof coins are struck from specially prepared (non-silver) blanks. Each coin is struck twice with highly polished dies to assure a mirror-like finish. The San Francisco Assay Office produces and packages the sets and each coin bears the "S" mint mark. The coins are sealed in a plastic package to protect and display the set. The 1981 proof coin set is priced at \$11.00 which includes postage and handling costs. There is a limit of five sets per customer.

Proof Coin Sets are produced and mailed through the end of the year of issue. Therefore, we will be mailing the 1981 sets through December 31, 1981. The majority of orders are received in the first two weeks of the ordering period. If your order is not in the first group to be mailed, you will receive a postcard acknowledging your order and indicating the date by which you can expect your order to be mailed.

PLEASE NOTE:

Acceptance of orders must be conditioned upon our production capability to meet the demand. We will accept orders beginning Wednesday, April 1, 1981 and hope to accept orders through the end of May 1981. *However if, like last year, orders exceed our production capability, an earlier cut-off date will be announced.* If this occurs, it will be necessary to return all orders received after the cut-off date. If your payment is deposited and we cannot honor your order, a refund will be made.

We recommend therefore, that you send your order as soon as possible. Orders are not cancelable by the purchaser.

ORDERING INSTRUCTIONS . . .

Please read carefully. Orders not conforming to these instructions will be delayed or returned.

1. Please sign your order card and indicate the number of sets you wish to order. This order card is for the exclusive use of the person to whom it is addressed.
2. Copy your Customer Number, as it appears on your order card in the upper right hand corner of your check or money order. Your remittance should be made payable to the Bureau of the Mint for the amount of purchase. (Payment for orders from other countries should be by International Money Order or a check drawn on a U.S. bank and payable in U.S. currency.)
3. There is a limit of five sets per customer. If ordering less than five sets, please detach the appropriate portions of the magnetic strip insert as indicated.
4. To change your address, please punch out the circle and print new address on your order card. Detach the top portion of the magnetic strip insert.
5. Each order card should be mailed in a separate envelope, with a separate remittance and a magnetic strip insert.

HISTORY OF UNITED STATES PROOF COINS

Proof coins were first sold around 1858, during the tenure of the 9th Director of the Mint, James R. Snowden. Mr. Snowden is credited with first using the term "proof". Prior to 1858 Mint records indicate that specialized pieces designated as "specimen" or "master coins" were made in very limited amounts for presentation to visiting dignitaries and national leaders.

Until 1950 proof coins were sold individually. In 1950 the proof coins, which were being produced by the Philadelphia Mint, were packaged and sold as a set. Proof sets were offered on a continuous basis until 1964, when production was suspended because of a national coin shortage. Proof coin production was resumed in 1968 at the San Francisco Assay Office.

Proof coins are produced and packaged each year by the San Francisco Assay Office and each coin bears the "S" mint mark. This year marks the fourth decade that proof coins have been offered as a set for sale to the public.

IF YOU WRITE TO US ABOUT YOUR ORDER, PLEASE . . .

- Enclose a copy of both sides of your canceled check or money order, as remittances are stamped during processing with your Order Number.
- PLEASE DO NOT send the original—it is your receipt for the order.
- Refer to your Customer Number in your letter.
- If your set is damaged in shipment, write to the address below for a postage-paid label to use in returning it for replacement. Replacement of damaged sets requires about 6-8 weeks.

Medals of the United States Mint!

Presidents of the United States

These are the official Medals of the Presidents of the United States, from George Washington to Jimmy Carter. Most were designed especially for the President at the time he was in office. Choose from forty-one different 3 inch

bronze medals. Select your favorite Presidents or collect the complete set. Each is in an attractive display box with an easel. A biography of the President is enclosed with each medal

miniature presidential medals

Miniature Presidential Medals were designed especially for young people to collect and enjoy. Each of our thirty-nine Presidents comes to life for young historians as they collect the medals of their favorite Presidents. These inexpensive medals are an easy way to help a youngster learn about American History.

The miniature versions of the official Mint Medals of the Presidents, each 1-5/16 inches in diameter, are available in bronze and gold washed bronze. The gold washed bronze medals are also available with a gold washed loop attached to the top of the rim, so it can be placed either on a chain or bracelet.
